TROUBLES OF LEADERS

Have Been Adjusted and  
Villa Will Resume His  
Advance Upon Mexico  
City—Full Statement of  
Conferees to Be Made To-  
day.

(ASSOCIATED PRESS TELEGRAM)  
Douglas, Ariz., July 10.—General Alvarado Obregon, commander of the constitutionalist forces who, Wednesday captured the important city of Guadalajara, Mex., and took prisoner more than 5,000 federalists after three days' battle, prepared today to reorganize his forces with a view to marching on Irapuato, the junction on the Mexican Central railroad connecting Mexico City with northern and western Mexico.

General Obregon last night telegraphed F. S. Elias, border representative of the constitutionalists here, that he routed the federal army of 12,000 men, under General Miel, federal governor of the state of Jalisco, in a fierce battle extending over a zone of 65 miles.

General Obregon said the federal loss was very heavy but that his own casualties were small. The federalists who escaped are being pursued by the constitutionalists and General Obregon was of the opinion that he would obtain several thousand recruits for his army in the captured city.

He said his own forces numbered 10,000 men.

FEDERALS WILL  
HAVE TO MAKE  
LAST STAND

(ASSOCIATED PRESS TELEGRAM)  
El Paso, Texas, July 10.—The speedy return of General Villa's army southward from Chihuahua City to resume the campaign against Mexico City was predicted here today following the receipt of advices from Torreon that the internal peace conference was finally ended and a report of its transactions soon would be given to the press.

With Guadalajara in constitutionalist hands and San Luis Potosi besieged, there remain only two or three points of defense for the federalists between the national capital and the southern edge of the territory controlled by the revolutionists. On the east General Pablo Gonzales, with an army of 20,000 men, holds dominion from the border to San Luis Potosi, 24 hours by rail from Mexico City.

In the center General Villa's division occupies the country from Juarez to Aguas Calientes, 18 hours travel from the capital city.

To the west General Obregon has stretched his lines so far as Guadalajara, second largest city in the republic and within six hours ride by rail of the central goal.

Once San Luis Potosi is captured the three military divisions will converge on Mexico City according to assertions made in El Paso today by both Carranza and Villa followers. When this combination is made 60,000 men will be available for movement against the ultimate goal.

Before the three armies arrive there, two or three strongly fortified towns held by Huerta's troops, including Guanajuato and Silao must be captured. From Celaya, the meeting point, the combined armies would have before them only one fortified city. This is Queretaro, 90 miles from Mexico City and the place where Huerta, according to general belief intends to make his last stand.

General Obregon has advised Gen. Carranza that his men in taking Guadalajara captured fifteen troop trains and eight cannons.

Obregon stated also that seven machine guns, plenty of rifles and rifle ammunition were abandoned by the enemy.

VINDICATION OF  
GENERAL VILLA  
IS ANNOUNCED

(ASSOCIATED PRESS TELEGRAM)  
Torreon, Mex., July 10.—Vindication of the conduct of General Villa, his speedy return to the front of the central advance on Mexico City, with General Felix Angeles as chief of artillery and the clear definition of General Villa's attitude toward the first chief of the constitutionalists, General Carranza, reported to be the cardinal points of a statement of their discussions promised for today by representatives of Carranza and Villa after the adjournment of the internal constitutionalists' relations conference yesterday.

The statement will be a protocol (Continued on Page 11, Col. 5.)

Railroad Officials to  
Meet Solicitor Norpell.  
On the Subway Matter

City Solicitor Ralph Norpell has succeeded in getting the B. & O. and Pennsylvania officials together for a conference with the Newark authorities, to plan the procedure of work on the new subway construction over the railroad tracks from First to Sixth streets.

This conference will be held in Newark Tuesday July 14th, and at that time the manner in which the work shall proceed, will be arranged as to what part the railroads will do and what portion will be assumed by the city.

The construction of these subways will undoubtedly be commenced as soon as possible, but the preliminary necessarily consume considerable time. The bond sale has been authorized, the railroad companies are ready to co-operate and the prospects are very bright for an early beginning of the elimination of some of the most dangerous grade crossings in Newark.

Panic Averted By Coolness  
Of Audience at Mazda Picture  
Show Fire Thursday Evening

The effectual fireproof construction of the operator's booth at the Mazda moving picture theatre, and the confidence inspired in the audience by the knowledge of this fact, as well as the evidence to the eye of the many available exits, prevented a panic and accompanying holocaust Thursday night, when a film caught fire a little after eight o'clock, the theatre being filled with men, women and children enjoying the moving pictures.

Harry Levins, the operator, escaped through a west window, opening to the roof of the peanut stand at the Main street entrance to the Arcade annex, from whence he easily jumped to safety. He was not burned in the least, but his fingers were slightly cut by a revolving electric fan which he pushed out of the window to allow his own egress. Dr. H. J. Davis dressed the wounds at his office in North Third street, and the young man returned to the theatre.

He told the doctor that he had run off a film, which became hotter than usual, and as he was rewinding it upon the reel it caught fire. At that time it was the only explanation he could give as to the cause of the blaze.

Smoke and flashes of flame issued from the several openings from the inclosed operator's booth into the theatre, and every one knew there was a fire. Instead of rushing pell mell toward the exits, a number of men rose quickly from their seats and said in effect:

"There is a fire but no danger let's go out orderly," and the crowd filed out of the front doors and arched exits hastily but in good order, without injury to a single person.

When the firemen arrived the theatre was full of smoke, but what fire there was, was confined to the booth. Ladders were put up from the outside, and the fire was quickly extinguished.

Until all were out Mr. and Mrs. Ray Stouffer, the trap drummer and pianist, remained steadily by their instruments, which also had a tendency to reassure the more timorous.

Joe Bader, who manages the Mazda for himself and Mrs. Kate Schlegel who is part owner, was not in the city Thursday night, nor Friday, being located in Cincinnati Friday morning, where he had gone after having attended a convention of moving picture men in Dayton. After the convention he and Mrs. Bader went on to Cincinnati, from which city the Mazda films are procured.

Mr. Bader will be home this evening and until he comes only a rough estimate can be made as to the loss which will probably approximate \$700 including \$300 worth of films which are a total loss as there is no insurance upon them. If there is any and what amount, upon the machines and generators, is not known at this time, as he attends to all the business of the theater.

PROVIDES HOME  
FOR AGED OHIO  
SCHOOL TEACHERS

(ASSOCIATED PRESS TELEGRAM)  
Columbus, July 10.—Nearly a half million dollars will be expended in the near future for a home in this city for aged Ohio school teachers under the provisions of the will of Mrs. Virginia Gay, sister of the late General C. C. Walcutt of this city. The will, which was probated today, gives about \$400,000 for the teachers home and \$50,000 for a hospital at Vinton, Iowa, where Mrs. Gay spent most of her life.

The will states that only \$75,000 shall be expended for the site and building for the teachers' home and that the interest on the remainder of the money shall be used for the home's maintenance, of the \$50,000 left for the Vinton hospital only \$20,000 can be used for building and equipment, the remainder constituting a fund for maintenance.

"There are women of reasonable culture and refinement," says the will, "some of much culture and refinement who are so unfortunate as to be homeless and without ability to secure one or its comfort and enjoyment. Among these will be found some who have spent the prime of life teaching in our common schools. It is for such as these that reside in Ohio that I desire to establish and endow a suitable home in the truest and best sense of the word."

Monster Elephant  
Dies at Zoo After  
Fracturing Leg

(ASSOCIATED PRESS TELEGRAM)  
Philadelphia, July 10.—Empress, said to have been the largest female elephant in captivity, and an inmate of the local zoo for 38 years, died last night. Death was due primarily to a leg that she recently broke a leg while hurrying to take a bath. After the accident the big pachyderm was unable to raise her four tons of flesh and a block and tackle were employed to lift her to a standing position. After several ineffectual attempts had been made to reduce the fracture, Empress settled the matter by dying.

The skeleton and skin will be sent to the Academy of Natural Sciences to be mounted.

(ASSOCIATED PRESS TELEGRAM)  
Mine, I., July 10.—Mrs. Florence Carman, locked up in the county jail here as the assy. Mrs. Louise Bailey seemed recovered today from the collapse she had yesterday and today in her cell reading book.

The position Mr. Jones occupies on the steps at the southeast corner of the Capitol is not what is considered dignified in Washington. You might catch a senator squatting on the Capitol steps, but it is a long time since anyone has caught one. But Mr. Jones's manner indicated he was so disgusted he did not care much about dignity.

He had been before the Senate

Both strict attorney and George Lunsell for Mrs. Carman, were preparing evidence to be presented Monday when Mrs. Carman will be arraigned for ex parte.

The attorney testimony of witnesses inquest into the death of Mrs. Bailey today led to prediction Captain Norton would be forced to reserve his decision and order release of Mrs. Florence Carman Monday next when she will be before him for a preliminary on the charge of having murdered Mrs. Bailey.

This prediction further bolstered up, according to Carman's counsel, her husband's friends, by the facts that District Attorney Smith yesterday admitted the state's case weak when he sought to secure postponement of the preliminary until a week from Monday.

The district attorney, however, regards his case as stronger than when the arrest was made and it is said that the judge have in reserve evidence they believe will prove more than that already produced.

HEALTH OFFICERS  
HOLDING SESSION  
AT CEDAR POINT

(ASSOCIATED PRESS TELEGRAM)  
Cedar Point, O., July 10.—Ohio should be divided into health districts composed of one or more counties, with a highly trained health officer, a physician who has passed civil service tests, in charge of local, rural and village health officers.

This recommendation was made by Dr. E. F. McCampbell, secretary of the state board of health, at the conference of the board with several hundred rural and village health officers held here today. He said the legislature at the next regular session would be urged to create such a health supervision system for the state.

"I believe such a system would increase greatly the efficiency of the health agencies of this state by creating perfect co-operation between them," said Dr. McCampbell. "It would increase the responsibility and raise the standard of health officials because they would not be affected by local influences in the exercise of their much broadened powers."

"The district health officer under this plan would be appointed by the state board of health from a list of applicants certified by the state civil service commission as having passed an examination in hygiene, sanitation and subjects relating to public health and the prevention of disease. Only physicians licensed to practice or holding the degree of doctor of public health or its equivalent would be eligible to take the examination. He should receive a salary of not less than \$2,000 and devote his time exclusively to the duties of his office. He should be given broad powers extending to supervision of medical inspection in the schools, of water supply, milk inspection, sewage and waste disposal and similar subjects."

COMMISSION  
DECIDES  
CURT RATES

(ASSOCIATED PRESS TELEGRAM)  
Columbus, July 10.—What authority has the city to dictate rates for electricity furnished by a private utility company? This question was argued today in the public utilities session today. On the commission's decision will rest future action number of municipalities in state.

The Bucyrus council passed an ordinance red current rates for the Bucyrus Light and Power company to a sum of 8 cents a kilowatt hour residences, 6 cents for stores, bars, theaters, public halls and lighting, and 2 1-2 cents for industrial power motors. The companies appealed to the commission and the phases of the case have been considered by the commission for many months.

Attorneys for the company argued before the commission today that no company producing power in a city the size of Bucyrus could afford to sell it at the rate of nine cents is the average for residence consumption of that size, they declared.

Counsel for the declared on the valuation of the company's business, set at \$95,000 the commission recently the once rates are ample to allow company to make a generous profit.

Residence rates for four largest cities of the state agree 7 cents a kilowatt according to records of rates on with the public utilities commission. In general, rates are higher in larger cities, in proportion to their number of customers served.

Thomas D. Jones, Reserve Board Candidate,  
Thinking It Over on National Capitol Steps

This snap shot of Thomas D. Jones of Chicago, nominated by President Wilson for member of the Currency Reserve Board, was taken when he least suspected it. Mr. Jones's quick withdrawal of his cigar from his mouth shows that he heard the click of the camera and was all attention. When he realized what had happened he got up.

KATY FLYER  
IS HELD UP  
BY BANDITS

ESCAPE ACROSS RIVER

The Sheriff With Posse is  
Searching Surrounding  
Country—Passengers are  
Compelled to Keep Inside  
the Coaches.

(ASSOCIATED PRESS TELEGRAM)  
St. Louis, July 10.—An all-night search failed to reveal a definite trace of the bandits who late last night held up train No. 5, of the Missouri, Kansas & Texas railroad bound from St. Louis for the southwest, near Matson, Mo., sixty miles southwest of here and robbed the safe of money and valuables intended for distribution in Texas and intermediate points.

Railroad officials early today could not give any estimate of amount of plunder with which the bandits escaped. The car in which the American Express company's safe was blown open by dynamite was partially demolished. The crew, who watched the bandits operate while two of the robbers stood over them with leveled revolvers, disagree as to the number of the highwaymen, their estimates ranging from two to five.

The holdup took place about 11 o'clock. An hour later Sheriff Dierker, of St. Charles county with bloodhounds and a posse of deputies were in pursuit of the bandits. Farmers, railroad and express company officials also boarded the special train which was sent to the scene of the robbery.

From the lonely spot in the woods where they compelled the crew to haul the detached baggage and express cars, the bandits with arms and pockets loaded with booty ran in the direction of Klondike. It is thought that from here they crossed the Missouri river to Labadie, in Franklin county. Farmers living near the river said they heard a flat boat rowed across the river at midnight, but the boat had not been found early today.

The masked bandits who held up the "Katy Flyer" last night captured a track walker who surprised them as they were robbing the train and took him away with them.

This was learned from members of the train crew this morning. The story of the robbery was told by A. L. Mudd, conductor of the train and by John Snadley, engineer.

The train which left St. Louis at 8:32 last night for Texas stopped at Matson, Mo., on the north bank of the Missouri river at 10:15 o'clock. There the bandits, of whom there were only two, are supposed to have boarded the train.

After the train had gone a short distance the engineer heard a noise behind him and turning saw a man with two revolvers levelled at him.

"He told me to stop the train," said the engineer, "and I did so. Then he told my fireman to run back and uncouple the train between the last express car and the first passenger car."

The fireman uncoupled the train and the bandits forced the engineer to run the engine and express cars to a point near Klondike on the river bank. They entered the American Express company's car and forced the messenger, F. G. Nicholson, to stand with his face to the wall while they blew both doors from the safe.

While this was going on a track walker, said to be William Christopher, appeared. The robbers made him prisoner. When the train first stopped at the command of the bandits, Conductor Mudd and William Glass, train auditor, got off to learn the trouble.

"We were greeted with a fusillade of shots," said Mudd. "We were told to stay in the coaches. We stayed in."

The bandits made no effort to molest the passengers but warned them to keep their heads inside the windows. So far as known, nothing was taken except the contents of the express safe. What this amounted to is not yet known. Conductor Mudd said he saw several pieces of jewelry on the floor of the express car after the robbery.

The bandits are thought to have crossed the Missouri river near the scene of the robbery and to have started south.

JUNE REPORT  
OF OHIO CROPS  
IS MADE PUBLIC

(ASSOCIATED PRESS TELEGRAM)  
Columbus, July 10.—Ohio's wheat crop this year will be 29,814,600 bushels, estimating 29,230,000 bushels as an average production, according to the June crop report of the agricultural commission made public today. The prospect is 102 per cent better than the normal yield, the report says.

The state department's report is not so optimistic as that of the United States department of agriculture which predicted this year's Ohio yield would be 33,500,000 bushels. The state department's estimate is based on 771 reports sent from all parts of the state by agents of the agricultural commission.

Prospects for other grains are poorer than normal. Corn shows 89 per cent average condition. Prospects for barley, rye and oats are 90, 95 and 74 per cent, respectively, of normal.

Potatoes show only 77 per cent average.

No report was made today on condition of fruit.

Other details of the crop report are as follows:

Wheat—Damage by joint worm, 4 per cent.

Corn—Area in 1913, 2,988,115 acres; area this year as compared with last, 96 per cent; total estimated area for 1914, 2,901,070 acres; damage by cut and white worm, 3 per cent each.

Clover—Damage by white grub-worm, 4 per cent.

Potatoes—Area in 1913, 103,302 acres; estimated area for 1914, 97,772 acres.

Tobacco—78 per cent of last year's area.

Timothy—71 per cent of normal.

Pasture—80 per cent of average prospects.

Horses, 96 per cent average. Colts, 93; cattle, 96; calves, 96 per cent, average respectively.

Wool—89 per cent; clip of last year.

Wheat conditions are particularly good in the northern parts of the state, but slightly below normal in the south.

MOTHER CONVINCED  
DAUGHTER SIGNED  
THREATENING NOTE

(ASSOCIATED PRESS TELEGRAM)  
Atlanta, Ga., July 10.—Local postal and police officials whose aid has been enlisted by Mrs. J. W. Nelms in an effort to unravel the mystery surrounding the disappearance of her two daughters, Mrs. Eloise Nelms and Miss Beatrice Nelms, today admitted the problem still is baffling.

Mrs. Nelms today stated the note from San Francisco in which Mrs. Nelms is said to have asserted that she had killed her sister in New Orleans and intended to kill her brother, Marshall Nelms, was typewritten, but bore the written signature, "Eloise Nelms Dennis."

She added that she was convinced her daughter signed it.

Local police are endeavoring to trace an express package shipped to Mrs. Margaret Nims, at San Antonio, Texas.

Meeting Results in  
a Shooting Affray

(ASSOCIATED PRESS TELEGRAM)  
Dayton, O., July 10.—Charlie Williamson, bartender, is dying at Miami Valley hospital and on a cot in a nearby ward, Lottie Bramlage, 25, is seriously wounded from a pistol shot fired by Williamson. The two had secretly met at an early hour this morning and after coming from a roadhouse, had quarrelled, the police say, Williamson whipping out a gun and trying to murder the woman.

A two-year-old baby which the woman had carried during her clandestine meeting, was playing nearby when the two people were found. Williamson's hand still held the revolver when he was found.

\$9 MINIMUM

BY WASHINGTON

(ASSOCIATED PRESS TELEGRAM)  
Olympia, Wash., July 10.—The state minimum wage commission adopted last night a rate of \$9 a week as the minimum for telephone girls throughout the state except in small exchanges.

This is the fourth minimum wage adopted by the commission, the others being \$10 a week for mercantile workers, \$8.00 for factory workers and \$9 for laundry and dye workers.

## A Human Churn

WHEN the food reaches the stomach it is subjected to a peculiar churning movement by the muscular walls of the stomach. (See Dr. Pierce's Medical Adviser, page 46). In the liver, kidneys and skin, the blood is purified of its waste materials—these organs act as human filters, leaving the blood pure and clear—unless liver, digestive tract and kidneys are clogged.

### Dr. Pierce's Golden Medical Discovery

is a stomach, liver and kidney tonic—by assisting the stomach to assimilate, the liver to filter, the kidneys to act—the poisons are removed, the red blood corpuscles are increased and one feels light, fresh and active instead of lory, dull and heavy. The "Discovery" stimulates the stomach, increases action of heart and arteries and is a most satisfactory alternative in blood-taint of any character. The refreshing influence of this extract, of native medicinal plants has been favorably known for over forty years. Everywhere some neighbor can tell you of the good it has done.

Sold by all medicine dealers in liquid or tablet form; or send 50 one-cent stamps to Dr. Pierce, Buffalo, N. Y., and a trial box will be mailed you.

## PAPER ON ROAD 27 YEARS BEFORE IT WAS DELIVERED

Many are the stories that have been told about the slowness in delivery of mail and freight, but in the case of a paper which was recently delivered to Mr. John F. Flannigan of North Fourth street, the truth is stranger than fiction.

A few weeks ago Mr. Flannigan had delivered to him by mail, a copy of the Catholic Columbian, dated Saturday, January 22, 1887. The paper was delivered in the regular way but was just 27 years late, and where it has been in the intervening years is not known. It is yellow with age, and a large spot of oil mars the front page.

Coincidentally with this about a year ago in cleaning up the bakery Mr. Flannigan was going over a bread basket which had been discarded. Opening one he found three packages containing hats from the Columbus Dry Goods company. They were about a year old then, and had been in the basket from the time it was returned by the express companies until found by Mr. Flannigan. They were made up with feathers and trimmings which were valued at about \$20 and were returned to the Columbus firm. The newspaper is being kept by Mr. Flannigan as a curio, and bears the name slip and the time of the expiration of the subscription.

### MARTINSBURG.

A large crowd went to Danville July 4, to the baseball tournament in which Danville, Jewell, New Castle and Martinsburg participated. The local club won from Danville in the morning after Danville had secured a lead of eight runs. Carpenter relieved McCammett in the box and saved the game.

The deciding game in the afternoon between New Castle and Martinsburg was one of the best ever played by amateurs. McCammett pitched great ball in the afternoon. On account of darkness the game was called in the ninth inning; the score standing 1 to 1. Both teams played errorless ball.

## "Sweet Charity."

The American people are rather large hearted. The proceeds of charity entertainments are enormous. But the "sweet charity" of these functions is sometimes mixed with dross, the glitter of pretty girls, stylish gowns, and the desire to climb socially. So they are not always a true criterion of the giving spirit. The real test comes when public aid is asked for some big calamity like the Salem fire.

People who canvass for such causes often find a pathetic willingness to help on the part of those who themselves are in need of assistance. The woman with the bare cupboard sometimes gives just as much in cash as another with a lavish dwelling, but whose means are narrowed by social competition.

Many people will never give to any kind of a cause unless they are personally solicited. And the omission is not necessarily because they have forgotten the appeal. The fear lest a solicitor size them up as parsimonious influences them more than the sufferings of the needy.

There is an enormous amount of giving going on all the time that never gets reported in the papers. nor is it found in the records of any charity society. In country life the sick neighbor finds that in some mysterious way his crop has been harvested, or his wood pile put under cover. In city slum streets the warm hearted poor often seem to have practically a common purse.

It renews one's faith in human nature to find money flowing in freely after such a disaster as the Salem fire. But it is unfortunate that some people are moved only by the sight of physical want. They will give money to feed the hungry and clothe the naked, which merits the highest praise. But somehow they so lack vision as to refuse help to the school that would help the children of the hungry and naked to rise above the need of charity.

The people of Dayton and Hamilton, O., contributed liberally for the Salem sufferers, the National Cash Register Co. and Edward A. Deeds heading the Dayton subscription list. It has been little more than a year since the world helped the Dayton and Hamilton flood sufferers and this generous response

## Treasury Balance.

There will be an unexpended balance in the state treasury at the end of the present fiscal year of \$8,000,000. Under the appropriation made by the last general assembly over \$2,000,000 will be distributed from the state treasury to the various counties of the state for common school purposes. Governor Cox proposes to call the legislature together and ask it to repeal and reduce almost to the vanishing point the common school levy and pay this \$2,000,000 appropriation out of that \$8,000,000 of unexpended balance. That means that the corporations, railroads, public utilities, saloon licensees, etc., will pay the \$2,000,000 for the support of the common schools instead of the people. The schools will not be hurt a pennyworth but the tax payers will be relieved of a \$2,000,000 burden.

It has been ascertained that a 3 mill levy on the new duplicate plus the automobile receipts will produce \$2,000,000 for good roads. This was the sum desired when a .5 mill levy was made for this purpose. So that the good roads levy can be safely reduced to 3 mill without impairing the efficiency of the highway department, without stopping a shovelful of dirt and without halting the good roads movement for a second.

The reduction in the state tax rates that is proposed will leave in the pockets of the tax payers of the state every year nearly \$4,000,000 and the aggregate rate will be lower than it was when the present administration came into power. In other words the people of the state will have the best system of good roads in the Union with a little boot money left in their pockets.

What difference does it make, then, if a few irresponsible politicians or would-be politicians persist in bellowing about the extravagance of the present state administration? No state can live beyond its income and at the same time pile up a surplus. No state can cut its resources, reduce its tax rate and pay its debts without practicing economy.

There is a good deal of complaint because the picture of McKinley is being removed from the postal cards, but the postmistresses will still see that no improper messages are being sent.

It is regarded as the duty of the newspaper writers to examine closely the immodest gowns worn by the women, so as to be prepared to condemn them intelligently.

Oklahoma towns are observing a "Take back what you have borrowed day." It is understood that certain makes of automobiles are exempt.

## GEORGE FITCH.

He's long and lean and scrawny, and has a solemn air, and folks would say, "That Johnnie is loaded down with care; he has a secret sorrow that goads him evermore, and he should try to borrow some sunshine at the store." Which shows how, in their guessing, the folks are off their base, for George has naught distressing about him, but his face within him all

ways bubbles the antidote for grief the mirth that kills our troubles, and gives our woe relief. You read George Fitch, and after you've coined a score of words, you gurgle round with laughter, and chirrup like the birds. As clean as rippling water his humor flows along, his mirth is sure the daughter of Joyousness and Song. He cheers the chronic fretter, reforms the dismal bore, and makes this old world better than 'er it was before. He spreads glee by the acre, so what's the odds, my dears, if like an undertaker the humorist appears?

A very pretty announcement party was given by Miss Helen Pigg on Thursday afternoon at her home in West Locust street. The hours were informally spent and a dainty picnic luncheon was served on the lawn. Then little Virginia Rutledge approached the party bearing a large bag. This she untied and a large cat leaped out, bearing a small placard, tied to its neck with white ribbon and on the card was the date August 5. Then small announcement cards, printed and written around bearing the names of Miss Helen Pigg and Mr. Howard Jenkins.

The guests were Mrs. George Bowler, Mrs. Walter Frazier, Mrs. A. McConoughy, Mrs. Lewis Meyers, Misses Lillian Kammerer, Emma Kammerer, Besse Taitel, Amy Alsbach, Sadie Davis, Elizabeth Owen, Ethel Rutledge, Mary Louise Rank, Lillian Rugs, Ethel Southard, Dot Woodward and Helen Radman.

Miss Pigg is the daughter of Mr. and Mrs. David Pigg of West Locust street. She graduated from the Newark High school in 1907 and later from Denison University. Since that time she has been teaching in the local schools. Mr. Jenkins' home is in Springfield, O. but he has been located here with the Holophone company being in the engineering department.

A merry party of young people, chaperoned by Mrs. Africa, picked up at Horu's Hill on Thursday afternoon. A delicious basket supper was enjoyed.

Those in the party were Misses Leah Teuscher, Ruth Hirst, Mildred Woodward, Louise Africa, Ulla Hess, and Olive Baughman. The picnic was given out of compliment to Miss Lina Jacobs of Mt. Vernon, O., the guest of Miss Leah Teuscher.

Misses Mary Balzer and Julia McCarthy entertained the members of the Q. C. club with a dinner party at the Harris Hotel at Buckeye Lake Park on Thursday evening. A delicious menu was served and the evening was spent informally at the park. The party was chaperoned by Mrs. McCarthy and Mrs. Balzer.

The guests were Misses Edith Kureth, Claire Kureth, Josephine Egan, Grace Egan, Marie Gilbert, Nan Dwyer, Margaret Dwyer, Katherine Shaugnessy, Marie Shaugnessy, Edna Streit, and Miss Hazel Kirk who was a guest of the club.

A few of the friends and relatives gathered at the home of William McCullough, five miles north of Hanover, Sunday, July 5th, and reminded

him of his sixty-first birthday anniversary. The day was spent with music and at noon a dinner was served.

Those present were Mr. and Mrs. James Marriott, Mr. and Mrs. S. T. Thompson, Mr. and Mrs. S. C. Wright and children, Ruth, Alva, Clyde, and John, Mr. and Mrs. William McCullough, Mrs. Louisa Cochran, Mr. and Mrs. Frank McCullough, the Misses Ethel Thompson and Altha Keaser, and Messrs. Frank Birrell, Jay Demorest of Newark, Henry Victor, Carl McArthur and James Keaser.

On Tuesday evening, the Misses Mabelle and Mary Ruffner entertained at their home north of Hebron, honoring Miss Verga Sutton of Springfield. The evening was spent informally and at a late hour dainty refreshments were served on the lawn to the following guests: Misses Verga Sutton, Lillian Brady, Maude Orr, Stella Cunningham, Viva Orr, Lois Buckland, Messrs. Paul Kochendorfer, Philip Hilbrandt, Raymond Watts, Paul Buckland, Clarence Baughner, Roy Watts and Walter Messick.

## TRIES TO EFFECT PEACE AMONG THE WARRING FACTIONS

Pittsburgh, July 10.—John P. Jackson, commissioner of the state department of labor and industry, today endeavored to bring peace to warring factions in the building trades. Eight hundred men, employed on the construction of a department store building, struck yesterday, and a strike of carpenters on other structures was threatened because of differences between local unions of the hoisting engineers and bricklayers. The building trades council and the builders exchange also were involved. There were fears that unless the dispute was settled promptly it might extend to other cities.

## PLACED ON RETIRED LIST.

Washington, July 10.—One of the very few men who rose to the highest rank in the navy from his position as an enlisted man, Rear Admiral William H. Southerland, was placed upon the retired list today by reason of having reached the statutory age of 62 years. He was born in New York and appointed as a naval apprentice in 1868 and because of peculiar aptitude and excellent service, was transferred to the naval academy from which he graduated with honors. During Theodore Roosevelt's incumbency as assistant secretary of the navy, Southerland was his naval aide.

TOOK POISON. (Associated Press Telegram) Columbus, July 10.—While Mrs. Arnold Hagy was on her way to the city prison early today to secure a warrant for the arrest of her husband on a charge of drunkenness, he took poison and died at a hospital a short time later. When Mrs. Hagy reached the prison she was directed to go to the hospital.

The widow and five children survive.

Wigg—"I met B. Jones today. He looks rather rusty." Waggs—"Yes, he's been taking iron to build him up, and he got caught out in a rain."

Many Transfers Made and Mortgages Lifted, Shown By Recorders Report.

Licking county people borrowed \$1,978,254 on mortgages during the year ending June 30, last, and paid off mortgage claims amounting to \$1,502,788, according to the annual report of County Recorder O. C. Martin, forwarded Thursday to the secretary of state. There were 726 leases of oil, gas and mineral lands, amounting to \$15,051.35. Farm land transferred in this county during the year, for consideration other than \$1, shows an average value of \$55.85 per acre. Such transfers represent 999,029 acres at \$58,070.50. There were 230 such deeds, of agricultural land. There were 515 town lots transferred, for other than \$1 considerations, totalling \$633,425 and 28 mixed conveyances at a total of \$437,423.16. Total transfers for other than \$1

considerations were 773, amounting to \$1,728,918.66. For \$1 considerations there were 985 transfers. The grand total of deeds executed and filed during the year was 1,758 representing a valuation of \$1,729,903.66. There were 1,390 mortgages recorded, representing a total sum of \$1,978,254 and 1,102 mortgages cancelled, representing \$1,502,788. In comparison with last year, there are several variations, showing, it is said, a slight increase in transfers and a small reduction in the proportion of mortgages executed as compared with the number cancelled.

### SEEKS AID

OF FORMER ASST. ATTY. GENERAL OF NEVADA TO LOU-CAE SISTER

Woman Who Sent Threatening Letters to Brother May Have Been Temporarily Deranged.

(Associated Press Telegram) San Francisco, July 10.—The aid of Victor Innes, former assistant attorney general of Nevada in finding Mrs. Eloise Dennis, of Atlanta, Ga., was suggested today by her brother, Marshall Nelms. Nelms expected to leave today for Atlanta to look after his mother, who was alarmed by a letter in Mrs. Dennis' handwriting saying that she had killed her sister Beatrice and was about to kill her brother. No one had been able to account for the letter except on the theory that Mrs. Dennis was temporarily deranged, and no one had had trace of her or her sister since they left Dallas, Texas, some time ago. The whereabouts of Innes was not more easily found yesterday. Advices from Carson City, Nevada, were that he had gone to Seattle, with his wife and two children some months ago, but efforts made last night to find him there were fruitless. Innes was counsel for Mrs.

Dennis in divorce proceedings at Reno, about 18 months ago, and has acted as legal adviser to her in other matters.

**ARRANGING FOR CELEBRATION OF ORANGEMEN'S DAY**

(Associated Press Telegram) Belfast, Ireland, July 10.—Full military honors were accorded by the Ulster volunteers today to Sir Edward Carson, the Irish unionist leader when he arrived, with the Marquis of Londonderry, Viscount Castlereagh, Walter H. Long and Ronald McNeill and other Unionist members of parliament to attend the meeting of the Ulster provisional government. The intentions of the provisional government have not been disclosed, but one object of the meeting is the arrangement of an impressive celebration of the twelfth of July or "Orangemen's Day," in order to "show the government and the people of Great Britain that nothing but the absolute exclusion of Ulster from the operations of the Irish Home Rule bill will satisfy us." The police have been instructed to act with great care so as to give no excuse for an outbreak. Do not miss the Big Minstrels at the Orpheum tonight. 7-10-d-1t

### FOUR DROWNED BY OVERTURNING OF THEIR BOAT

(Associated Press Telegram) Brantford, Ont., July 10.—In a boating accident last night Thomas Garret, a wealthy farmer, his two children and a maid, lost their lives on the Grand river. The other occupant of the boat, a farm hand, swam to the river bank and gave the alarm, but the boat and its occupants had disappeared before aid arrived. The two children drowned were ten and eight years old. The farm hand was unable to give any details of the accident except to say the boat overturned and threw them in the water. ## NEWARK LOST CLOSE MATCH TO CAMBRIDGE

GUERNSEY COUNTY GOLFERS  
CAME UP, HAD FINE TIME,  
AND VICTORY.

New Method of Scoring Teams  
Match Play Will Probably Be  
Adopted.

Newark lost a very close and interesting golf match to Cambridge Thursday on the Country Club links. The final score being 29-1-2 to 27-1-2. The first twelve men on the Newark team played splendid golf and had their opponents beaten, but the last seven except Hayden, Jr., and Veilant, fell comparatively easy victims to the Guernsey county representatives.

The method of scoring that will be used in the Southeastern Ohio Golf association will probably be changed, as Newark, Cambridge and Coshocton favor it, while Zanesville alone objects to the change.

Instead of each team's standing being determined entirely by the percentage, figured upon the number of games won and lost, which gives an idea of the relative strength of the clubs, the average score per man of one team will be compared with the same average of the opponents, and at the end of the season, the standing will be according to this grand average in the number of games played. A simple illustration will demonstrate the fairness of this method and the misleading tendency of the one heretofore in vogue.

In yesterday's match there were 19 matches played and the total number of points scored by Cambridge was 29-1-2 or an average of 1.55 per man, while Newark made 27-1-2 points, an average of 1.45 per man. Now Cambridge has defeated Coshocton by the overwhelming score

of 38 to 8, showing that the Guernsey county players outclassed the Coshocton, while they barely beat Newark. Yet if the standing of the clubs is to be determined only by the number of games won and lost, the defeat of Newark by a narrow margin counts just as much as Coshocton's Waterloo, and no line as to the relative merit of play could be determined.

The scores Thursday afternoon follow:

Cambridge.	Newark.
Putnam, 1.	Manning, (Capt.) 1.
Hawthorne, C. 12.	Miller, Rod. 2 1/2.
Smith, 1 1/2.	Hollander, 1 1/2.

St. der, 6.	Weight, 3.
Total, 29 1/2.	Total, 27 1/2.
Cambridge, average per man, 1.55.	Newark, average per man, 1.45.

Newark's next league match will be with Cambridge on that club's links, Thursday, July 23.

### SENATE MUST ACT ON NOMINATION OF PAUL WARBURG

Washington, July 10.—President Wilson will make no nomination for the federal reserve board in place of Paul Warburg of New York, until the Senate takes definite action on his name. Mr. Wilson expects thus to place the responsibility on the Senate for leaving the board incomplete.

That is the president's position in his fight with the Senate over Mr. Warburg's nomination as expressed today by officials in his confidence. That there was no chance of his changing his mind was stated definitely. Mr. Warburg has finally decided that he will not appear personally before the banking committee to be cross-examined and the President is backing him in that stand. In answer to queries today whether Mr. Wilson was making efforts to get Mr. Warburg to appear before the committee officials at the White House said that any such attempt would be useless.

The nomination of Thomas D. Jones which the banking committee has voted to report adversely is in a different position. A fight for his confirmation may be conducted in a minority report.

## MANY REMARKABLE RESULTS OBTAINED IN NEWARK

Many cases of chronic eczema, salt rheum and tetter, lasting over ten years, that have exhausted the patience of the family doctor, and baffled the skill of skin specialists are now yielding promptly to this new prescription for skin diseases. Amolox is a clean, mild, antiseptic liquid. Apply or wash the skin with a few drops, the ache and burning stops instantly. Barber's itch, ring worm, red nose, pimples, acne are banished in a few days. So confident are we of the great merit of the Amolox Prescription we have made arrangements with T. J. Evans' Drug Store to pay back the money to any skin sufferer where the results are not satisfactory, the patient alone to be the judge.

A young man in high school was recently cured by Amolox of a very bad case of acne. His face was so broken out with sores and pustules, that the embarrassment from his unsightly appearance kept him from attending all social functions. A prominent citizen was cured of a chronic case of years' standing of eczema of the hands. Many cases like the above are being cured daily in towns where Amolox is being introduced.

case, and is expected to render a decision soon.

Frank E. McKean, present clerk of the court and a candidate for re-nomination on the Democratic ticket, holds the law providing that his office shall be filled by appointment of the court, is unconstitutional. Secretary of State Graves' attitude is that the law is not at variance with the constitution. He refused, therefore, to place McKean's name on the primary ballot and Clerk McKean last week brought suit in the Supreme Court to mandamus Secretary Graves to place his name on the ballot.

If the court holds the law is unconstitutional, it will issue the mandamus order and rule against Secretary Graves' attitude. If it decides the law is valid, it will refuse the writ and no clerk of courts will be nominated or elected this fall.

Only the prohibition and Democratic parties have made plans for nominating a clerk.

## The Sunkist Orange

### With the Different Flavor

### Ask for "Sunkist Valencias"

The Valencia Sunkist is the California Summer Orange—a sweet, juicy, luscious fruit, ripened on the tree.

Easy to peel, and practically seedless.

Some are dark in exterior appearance, some lighter in color. But all are a deep red inside and sparkling with healthful juice.

Oranges are picked in California every day in the year, and the Late Valencia is one of the very finest ever grown.

Glove-picked, tissue-wrapped, shipped right from the tree—you get it fresh with the real tree-ripened flavor.

Don't buy merely "oranges." Buy the

Sunkist Valencias. See what you are missing in not getting this brand.

### Try These Lemons, Too

Use Sunkist Lemons to serve with fish and meats. Use the juice wherever you now use vinegar. These are the best looking and the best lemons sold. Juicy, fully flavored and practically seedless. There's a vast difference in different brands of lemons. Try "Sunkist" and see.

### Beautiful Rogers Silver in Exchange for Wrappers

Go buy a dozen each of Sunkist oranges and Lemons and save the wrappers bearing the Sunkist trademark. Then send in the coupon below and find out how to exchange the wrappers for beautiful Rogers Silverware for your table.

## Orpheum All Next Week.

All next week The Great Pauline and his excellent vaudeville company will appear at the Orpheum.

The Great Pauline is without a doubt one of the classiest entertainers on the vaudeville stage today and the acts with which he has surrounded himself are all excellent.

This show will prove without a doubt one of the best the theater goers of Newark have ever seen.

## Orpheum.

A big minstrel show will be the attraction for Friday and Saturday at the Orpheum with matinees each day. The company will contain fifteen people and new songs, comedy, scenery and wardrobe will be seen. The show will be played by the same company which played to crowded houses Tuesday, Wednesday and Thursday in "The Rajah of Damn-poor."

## Auditorium Saturday.

At the Auditorium Theater Saturday, The Warner's Feature Film Co. presents Miss Gene Gauntier in "She of the Wolf's Breed," a gripping story of the Alaskan Gold Fields, in three acts. A unique picture portraying the hardships of a good woman's trials and tribulations in Frozen Alaska, where man's fitness for supremacy is measured by muscle, brawn and nerve. A wonderful picture with scenes thrilling and interesting, characters perfectly portrayed and story gripping.

The other picture is "King Charles II," an elaborate film production in four parts. Intermingled with sensational scenes. A story well known to all.

## LODGING IS DESIRED FOR THE VISITORS

Lodging will be needed Tuesday,  
 Wednesday and Thursday nights of  
 next week for delegates to the con-  
 vention of Rural Letter Carriers, and  
 those having rooms to let on those  
 nights should mail or telephone in-  
 formation of that fact with location,  
 number that can be accommodated  
 and the rates expected, to William F.  
 Wulfoop, secretary Board of Trade,  
 tenth floor Trust building.

## SALE OF TICKETS FOR CHAUTAUQUA HERE NEXT WEEK

An enthusiastic meeting of the  
 Chautauqua workers was held Thurs-  
 day afternoon in the Y. M. C. A.  
 The first report, the results of the  
 canvass for tickets, was made. The  
 women feel very much encouraged  
 with the response, but they feel that  
 it is the duty of everyone who is  
 interested in the good of Newark, to  
 do all they can to make a success of  
 this worthy enterprise.

While the tickets are in the hands  
 of the Women's Federation of clubs,  
 the adult tickets are being sold for  
 \$2.00 while the children from 6 to  
 14 can obtain tickets for \$1.00. On  
 the first day of the Chautauqua,  
 July 16, the sale of the tickets is to  
 be turned over to the Chautauqua  
 people and the prices will be raised  
 to \$2.50 and \$1.25, respectively. It  
 is to the advantage of the Newark  
 people to buy their tickets now.  
 These tickets can be procured at Y.  
 M. C. A., Y. W. C. A., Edminston,  
 Leist and Kingsery and T. J. Evans.

## READY

(Continued from Page 1.)  
 covering the transactions of the con-  
 ference signed upon adjournment.  
 The Carranza delegates immedi-  
 ately upon signing the protocol departed  
 for Saltillo.

In a brief announcement which  
 promised a full statement of the dif-  
 ficulties for publication today the  
 conferees made known that General  
 Villa would resume his advance upon  
 the capital without further loss of  
 time, although it was expected it  
 would be several days before his di-  
 vision would be started southward  
 and that General Angeles would as-  
 sume command of the artillery of  
 Villa's army. It was intimated that  
 the provisioning of Villa's forces fig-  
 ured largely in the discussions at the  
 conferences.

## ALL MEDIATION PROCEEDINGS AT A STANDSTILL

(ASSOCIATED PRESS TELEGRAM)  
 Washington, July 10.—With medi-  
 ation proceedings at a standstill, in-  
 terest in the Mexican situation today  
 was focused on developments in the  
 constitutionalists military campaign  
 that reached a climax in the capture  
 of Guadalupe, the second largest  
 city in the republic. While dispatches  
 from General Obregon, who led the  
 latest revolutionary triumph asserted  
 that few of his men had been killed  
 or wounded, yet official constitution-  
 alist reports from El Paso stated in-  
 formation received there asserted  
 losses had been "numerous" on both  
 sides.

From Guadalupe, Obregon intends  
 to hurl his troops against Mexico  
 City. Doubt was expressed whether  
 the army would be given any rest be-  
 fore the beginning of the crucial as-  
 sault of the revolution. Needed am-  
 munition immediately would be sup-  
 plied, it was said. Railroad facili-  
 ties for the movement from Guadalu-  
 pe to Mexico City, a distance of  
 about 300 miles, were adequate, con-  
 stitutionalist agents in Washington  
 declared, although resistance by fed-  
 erals at some points on the route was  
 anticipated.

How Villa, the revolutionary gen-  
 eral who achieved brilliant successes  
 in the northern military campaign  
 would figure in the movement  
 against Mexico City, was a matter  
 of much speculation here today. His  
 troops which had aided in the cap-  
 ture of Zacatecas, still were proceed-  
 ing northward into Chihuahua. If  
 Obregon moves upon Huerta's cap-  
 ital immediately it appeared doubtful  
 whether the northern forces would  
 figure in the preliminary fighting.  
 There was a possibility, however,  
 that they might go south later, par-  
 ticularly in view of assertions that  
 differences between Villa and Car-  
 ranza had been composed.

Definite news from Carranza still  
 was awaited as to the attitude of the  
 constitutionalists toward the pro-  
 posal that they meet representatives  
 of Huerta in an informal conference  
 to discuss the establishment of a  
 provisional government.

**CONSOLIDATION OF CHURCHES.**  
 Columbus, Ohio, July 10.—In or-  
 der to carry out the expressed pur-  
 pose of the general conference of the  
 Methodist Protestant Church of  
 America for a union with the United  
 Brethren church, a consolidation af-  
 fecting 500,000 communicants, Rev.  
 L. E. Davis, of Pittsburg, and Dr. C.  
 K. Beck, president and secretary, re-  
 spectively, of the first named denom-  
 ination have arrived here.

The conference will begin next  
 Wednesday.

Find out for yourself why more people  
 drink Arbuckles' Coffee than all other  
 packaged coffees combined.

One woman wrote us: "I have used Arbuckles'  
 Coffee for twenty-five years. I started housekeep-

## IN ONE MINUTE! CLOGGED NOSTRILS OPEN---COLDS AND CATARRH VANISH

**Stops Nasty Discharge, Clears  
 Stuffed Head, Heals Inflamed Air  
 Passages and You Breathe Freely.**  
 Try "Ely's Cream Balm."

Get a small bottle anyway, just  
 to try it—Apply a little in the nos-  
 trils and instantly your clogged nose  
 and stopped-up air passages of the  
 head will open; you will breathe  
 freely; dullness and headache dis-  
 appear. By morning! the catarrh,  
 cold-in-head or catarrhal sore throat  
 will be gone.

End such misery now! Get the  
 small bottle of "Ely's Cream Balm"  
 at any drug store. This sweet, frag-  
 rant balm dissolves by the heat of  
 the nostrils; penetrates and heals

the inflamed, swollen membrane  
 which lines the nose, head and  
 throat; clears the air passages;  
 stops nasty discharges and a feeling  
 of cleansing, soothing relief comes  
 immediately.

Don't lay awake tonight strug-  
 gling for breath, with head stuffed;  
 nostrils closed, hawking and blow-  
 ing. Catarrh or a cold, with its  
 running nose, foul mucous droppings  
 into the throat, and raw dryness is  
 distressing but truly needless.

Put your faith—just once—in  
 "Ely's Cream Balm" and your cold  
 or catarrh will surely disappear.

### GOVERNOR COX WILL ADDRESS THE CARRIERS

Excellent Program Prepared for Entertainment of Rural Letter Carriers in Convention Here

Newark, July 10. — The address of Governor James M. Cox to the Rural Letter Carriers' state convention, which meets in Newark next week, will be given Tuesday afternoon about 4 o'clock at Mountbuilders' Park. This will be one of the principal features of the convention which is to open Tuesday and continue for three days.

There are other events planned for the entertainment of the delegates from nearly every county in Ohio, to break the monotony of the business sessions which are to be held in the high school auditorium. One of these is an automobile tour of the city, and to give this to the

delegates, owners of machines who will donate their use from 2 to 4 o'clock Tuesday afternoon, will report to William F. Wulfoop, secretary of the board of trade. They will drive to the high school where the delegates will be met after a short preliminary business session. From thence the trip to Mountbuilders' Park will be made for the governor's address, after which the tour of the city will be made.

The headquarters will be at the Warden hotel where committees will be assigned rooms, and prominent Newark men will deliver addresses.

D. A. Bricker, president of the Licking county association will greet the delegates Tuesday morning, and Mayor R. C. Bigbee will formally welcome them to the city, followed by addresses in a similar vein by R. W. Smith, president of the board of trade; J. H. Newton, postmaster; and Attorney A. A. Stasel.

The response will be made by P. J. Powers, of Gibsonburg, president of the state association.

The business session will then open.

### Record Session of Senate Held Last Night In Which 122 Bills And Resolutions Were Passed

(ASSOCIATED PRESS TELEGRAM)  
Washington, July 10. — Senate clerks were busy preparing for the government printer bills which the Senate disposed of last night in what is believed to have been a record session in so far as the amount of business transacted was concerned. In a little more than three hours the Senate passed 122 miscellaneous bills and resolutions. Among the more important measures disposed of were:

president to raise the regular army to war strength.  
A joint resolution authorizing the president to invite foreign nations to send representatives to the international dry farming congress at Wichita, Kas., October 7-17. The measure had already passed the house.  
A bill making it a misdemeanor to use the American flag or its coat of arms or other insignia as an advertisement, trade mark or label.  
A bill creating an aviation section

in the army signal corps with sixty officers and 250 enlisted men.  
A bill adding 9,680 acres to Pike National Forest in Colorado.

### WINTERS CASE DISMISSED BY CIRCUIT COURT

(ASSOCIATED PRESS TELEGRAM)  
Newcastle, Ind., July 10. — The case against Dr. W. A. Winters and his wife, Mrs. Byrd Winters, who were charged with conspiracy in connection with the disappearance of the doctor's 9-year-old daughter, Katherine Winters, was dismissed in the circuit court here today by the prosecuting attorney on the grounds that there was not sufficient evidence against the defendants.

William R. Cooper, who also was charged with the conspiracy was also set free. Affidavits were filed against the three defendants May 30, 1914, by Robert A. Abel, an Indianapolis detective. Katherine Winters mysteriously disappeared March 20, 1913.
